ABOUT CAMP FAHOCHA BIBLE CAMP

FaHoCha Bible Camp has been offering Bible camps for 75 years, with 47 of those years on the present site which is located nine miles south of Warwick, ND. The camp is nestled down by South Lake Washington in a very beautiful setting with many trees and hills. There are presently 12 buildings and a variety of recreational activities.

FaHoCha Bible Camp is a unique experience offering quality camping at an affordable price. Our mission is to communicate the life changing message of Jesus Christ to every camper, to encourage spiritual growth, and to love each individual and care for their needs. We package this in a fun-filled, family atmosphere, making for a very memorable week of camp.

FaHoCha is an interdenominational ministry with the primary outreach area being the Devils Lake Region. The camp fees are only a portion of the actual cost of camp. The camp cannot operate without the support and prayer of committed people, churches, and businesses. We are so thankful for all those people, churches, and businesses who have given time, energy, and resources so generously and sacrificially in order for this unique ministry to continue.
